Safeguarding spotlight

Dear Parents/Carers,

Each week, we are going to highlight topical safeguarding themes to support parents in deepening their understanding of safeguarding issues that may affect their child, themselves or members of their local community. Safeguarding children is the action we take to promote the welfare of children and protect them from harm. Safeguarding is everyone's responsibility. Every single person who comes into contact with children and families has a role to play. You will see on the right of this page information about who to speak to if you have concerns about a child's safety or welfare, however all our staff are trained in safeguarding if you want to discuss any concerns with them. Any questions, please do ask.

Headteacher & Designated Safeguarding Lead

Designated Safeguarding Leads

Our School has a Designated Safeguarding Governor, **Jo-Anne Scott**, who will act as the link person between the Governing Body and the Designated Leader(s).

Loud and Proud Corner

The Year 4's had a lovely visit from the Yorkshire Dales Trust with the River Bus! The children were able to investigate lots of species typically found in the river. They used microscopes and magnifying glasses to detect the correct species. The children also learnt the journey of a river and how a river is formed.

This week is
**MENTAL
HEALTH** week.

Children in school will be talking about mental health as part of their PSHE lessons and in whole school assemblies. Please contact us if you have any questions.
