Safeguarding spotlight

This week, we are focusing on steps to help your child stay safe online

- Have an ongoing conversation: Continue to talk about the apps, games and sites they like to use, and what they like and don't like and any concerns about being online. Discuss with them when to unfollow, block or report. For help starting this conversation, follow the link: <https://www.childnet.com/blog/having-an-open-and-honest-conversation-about-online-safety-5-questions-for-parents/>
- Make sure they know where to go for support: Remind your child they can always speak to you or an adult they trust if anything happens online that makes them feel worried or upset. Remind them that they won't be in trouble at that you are there to help. For more support and advice, visit Internet Matters, which has a wide range of online safety advice for parents to keep their children safe online.: <https://www.internetmatters.org/>

Loud and Proud Corner

During the past 2 weeks we have been holding 'Open Mornings' in school for individual classes. We have invited parents/carers along to these sessions. This has given each class the opportunity to showcase the amazing work they are doing in class. The 'Open Mornings' have been a great success and the children have thoroughly enjoyed them.
