Parking at drop off and pick up time

Can we please be considerate when parking cars to either drop off or pick up children. We have had reports from parents informing us that some cars which were parked on the pavement have nearly collided with children. Please take care when parking in the surrounding area.

Attendance

1st Place - Class 5 - 97.6%

2nd Place- Class 3 - 96.8%

3rd Place - Class 1- 95.6

Please continue to promote good attendance.

We are trying to ensure all children are in and ready to learn before we close the gates at 9:00am.

Whole School Attendance 94.2%

Well done Year 6

A massive well done to our Year 6 children who have now completed their SATS. They have tried their best and we are immensely proud of them. They will continue to work hard and begin the transition from Year 6 to Year 7.

Loud and Proud Corner

Year 3 Open Morning

Our last Open Morning, Year 3 worked hard on their art work using water colours. They worked incredibly well on including the finder detail and showed tremendous resilience to overcome difficulties in their art work.

The children loved spending time with their parents and carers which topped off by some wonderful reading. Well done everyone - it was fantastic to see your support for the children!

Year 6 London

As the end of the year draws nearer, we would like to remind parents that the final date for payment of the London 2024 trip is due by:

Friday 28th June

HEAD LICE

Please could we ask all Parents/Carers to check their children's hair thoroughly and treat as necessary.

Please ensure children with shoulder length hair **MUST** have it tied up as per school policy.

Forest School

Year 1: Monday 20th May

Year 2: Tuesday 21st May

FS2: Friday 24th May

Please make sure children wear appropriate clothing.

Safeguarding spotlight on: Snapchat

Exploring Snapchat and Its Risks for Children

Snapchat is a widely popular app that allows users to create multimedia messages in the form of 'Snaps'. Snaps can consist of short videos with filters, effects, and captions. However, it's important to understand the potential risks associated with using Snapchat, especially for children. Here's what you need to know:

- Messages on Snapchat disappear after they've been viewed, making it hard to monitor
- The lack of message retention can encourage children to post risky content such as abuse or inappropriate images
- It is easy to screenshot Snaps and share. Although the original poster will be notified that a screenshot has been taken, there is no way of stopping someone from sharing
- The Snap Map feature allows users to share their location, which can be dangerous
- The Discover feature gives access to inappropriate content
- Children can easily receive unwanted contact from other users, including unknown adults

Safety Features

Family centre gives parents an overview of how their child has been using the app and who they have been communicating with.

- Turn on Ghost mode to prevent other users from seeing your child's location. This can be done by accessing the app settings.
- If your child has used their true age to create their account, they should only be able to communicate with other children, or adults who share mutual connections. Remember, this only applies if the adult has not falsified their own age.

Autism Central and Home-Start Drop-In

Do you have an autistic child (with or without diagnosis) and need support?

Autism Central and Home-Start coffee mornings are an opportunity for families and carers of autistic people to connect with each other and get advice and support from Autism Central and Home-Start staff.

This group is suitable for you if you have a family member who is diagnosed/going through the diagnostic process/has been identified as having a need relating to autism, ADHD, sensory processing difficulties, anxiety and social communication differences.

Autism Central offers high-quality and easily accessible support, education and training alongside a dedicated website.
