Safeguarding spotlight on: Consent

Consent means giving someone a choice about touch or actions and respecting their answer. With children, we often use the language "asking for permission."

At this age, we want to lay the foundation for setting boundaries, making decisions about their bodies, asking for permission, and responding appropriately when someone says no to them. Besides consent, kids need to learn that they can set boundaries and limits on when and how their bodies are touched and by whom.

Conversations around consent should be ongoing.

Here's how you can incorporate consent into everyday conversations with your child.

Ways to ask your child for consent:

"Do you want a hug goodbye today? We could also wave or high five."

"Can I sit beside you while we read this book?"

"Can I tell your teacher that your grandma died?"

Ways to model consent:

"Do you need a break from tickling, or are tickles still okay with you?"

"It's OK if you don't want a goodnight hug."

"Can I help you put your jacket on?"

Ways to teach your child to ask for consent with other children:

"Do you want to play with the red or the blue car?"

"Do you want to hold hands when we walk to lunch?"

"Can I sit next to you on the bus?"

Year 3 Roman Day

The Year 3 class had a fantastic day learning the skills as a Roman soldier. They practised their marching, learnt how to use a sword and spear, signed their contracts in Latin and made amazing clay oil lamps.

All their hard work and effort from the day was rewarded by earning their wage of a Roman coin from the Roman Centurion.

Year 5 Bowlees Farm

Year 5 had an amazing day at Bowlees Education Farm yesterday. They got to be farmers for the day, under the watchful eye of farmer Jemma. This meant they did a walk of the land, checking for any damage to fences or walls, fed and looked after the animals as well as enjoy a walk to Low Force Waterfall.

A massive thank you to Jemma @ Bowlees Education Farm, we all had a brilliant day!!

Tri-Golf

8 of our Year 2 pupils represented Colburn School at Hipswell School for a tri-golf tournament. Putting their skills to the test using a range of golf putters and chip-pers. They played many different games including Bullseye to drive towards that hole-in-one.

Well done Year 2! You represented our school to a tee!

A Parent's Guide to Safety and Privacy Settings

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

When you give a child access to the Internet, you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
