

## Open Ended Homework - Year 1 - Spring Term 2 2020

### Maths at home

- Read and write numbers to 20 in numerals and words, e.g. 1 and one; 2 and two.
- Write matching addition and subtraction number sentences, e.g. if  $12 + 3 = 15$ ,  $15 - 3 = 12$ .
- Practise counting in 2s, 5s and 10s.
- Practise solving multiplication and division word problems, e.g. There are 20 buttons. Each child gets 5 buttons each. How many children can have some buttons?

*Homework will be set each Friday using MyMaths.*

### Spelling at home

Children should continue to practise the year 1 common exception words.

They can also identify spellings in and around the home.

Practise these spellings: *people, their, looked, would, could, should, asked, water, where, who, again, work, many*

### Reading at home

Encourage your child to read a variety of texts e.g. recipes, instructions, fiction and non-fiction texts. Continue to read home-school books and return to school each Wednesday, ready for a new book each Friday. When children are reading encourage them to 'sound out' words (when necessary) and ask a variety of questions to develop their understanding. Continue to practise recalling the phonemes (sounds) on the sound mat provided.

### Science

This half term, our Science topic is **Animals, including Humans**

**Key Vocabulary:** animals, reptiles, mammals, amphibians, birds, fish, herbivores, carnivores, omnivores

#### Learning at home ideas:

- Name some reptiles, amphibians, mammals, fish and birds and create a fact files about each animal type.
- Research some animals that are herbivores, carnivores and omnivores.

### Art/DT

The children will be linking their art work to their learning about London. They will be using different media to create different pictures that represent The Great Fire of London.

#### Learning at home ideas:

- Explore with paints, crayons, tissue paper etc to create pictures of The Great Fire of London.

### Geography

This half term, the children will be learning about **our local area**.

**Key Vocabulary:** Colburn, physical features, human features, pictorial map, key

#### Learning at home ideas:

- Talk about the things that you see in the local area
- Draw simple maps of places that you have visited/places you have travelled to.

### PSHCE/ICT

#### Learning at home ideas:

Internet safety

Talk about ways to keep safe online, e.g. not telling people your passwords, your name, address and which school you go to.

### RE

The children will be learning about the Easter story and what happened to Jesus.

**At home-** Draw and write about key events out of the Easter story.

**We would love you to share any learning and work done at home with us in school.**
