

Open Ended Homework - Year 6 – Summer Term 2020

Maths at home

- Practise your measuring skills by baking a cake.
- Practise telling the time on an analogue and digital clock. Work out the timings of some tv shows by reading a schedule.
- Create your own addition and subtraction word problems.
- Continue to practise orally rehearsing multiplication tables – practise online : <https://www.timestables.co.uk/>

Homework will be set each week using MyMaths. Each child will have an individual login.

Spelling and grammar at home

You should continue to practise the year 5/6 spelling words – orally reciting the spellings and putting them into sentences will support your retention skills of the spelling patterns.

Useful website to practise your spelling and grammar skills -

<https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar>

Reading at home

You should read a variety of texts e.g. recipes, newspapers, online blogs, Newsround, narratives and non-fiction texts. Use the suggested comprehension questions to ensure you understand what you are reading. If you come across an unfamiliar word, find the meaning of the word through dictionaries or discussion with an adult.

Science

We will be learning about **Evolution**.

Key Vocabulary: adaptation, inheritance, ancestor, extinct, gender, offspring, sibling, genes, fraternal twin

Learning at home ideas:

- Research 'Charles Darwin' and find out about his contribution to science – create a fact file, poster or piece of writing.

Geography

We will be extending our learning about **map reading**.

Key Vocabulary: direction, co-ordinates, key, grid reference, ordnance survey

Learning at home ideas:

- Explore google maps – focus on your local area and look at London.
- Create your own map of your house, street or the whole of Colburn.
- Practise your map skills <https://www.ordnancesurvey.co.uk/mapzone/>

History

We are learning about the **history of London**.

Key Vocabulary: landmark, transport, tube, founded, discover, settlement

Learning at home ideas:

- Find out about some main events which shaped London's history and create an information page.
- Build your own London Landmark using different materials.

French

We are learning '**All about France**'.

Learning at home ideas:

- Continue to practise numbers, colours and how to say hello!
- Practise words learnt in school - <https://www.bbc.co.uk/bitesize/subjects/z39d7ty>

ICT

In school we are always thinking about keeping safe when online.

Learning ideas at home:

- Create an internet safety poster.

We would love you to share any learning and work done at home with us in school.
